- Help build a successful unbundled law practice
- Increase firm revenues
- Avoid potential limited scope pitfalls
- Market where it matters
- Understand ethical rules for unbundled services
- Dialogue with clients meaningfully
- Use forms & other shortcuts for maximum firm efficiency

“TLS’s Staff Unbundled Workshop was both informative and fun! The workshop helped clarify the concept of unbundled legal services so that I can explain and discuss limited scope representation with prospective clients. TLS also provided useful document templates, which has been a real time saver for me.” ~Lisa Broadway-Savage, Paralegal
